

INDOOR SPORTS CENTER INFORMATION

Opening October 15th!!

At Big Springs Sports Center we offer the convenience and quality that other indoor facilities do not.

We are located halfway between Lawrence and Topeka along highway 40 in Big Springs which is only a 10 minute drive from either city.

Baseball and Softball are our main focus, however we do offer the main 140'x70' arena for \$160/ hour for any use including soccer, football, or even outfield drills.

Five batting cages (one includes a mound and Iron Mike pitching machine), two pitching tunnels and a huge 70'x70' open area all add up to a great indoor practice facility for your team.

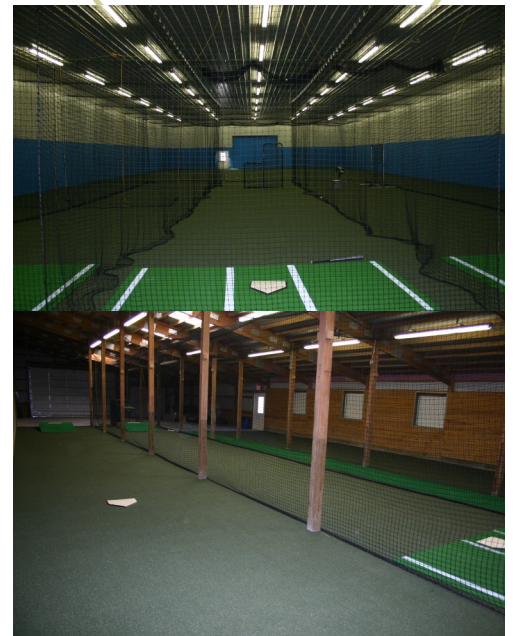

**Up To 10%
Off!**
